## MORE INFORMATION

### How to apply the language pack?

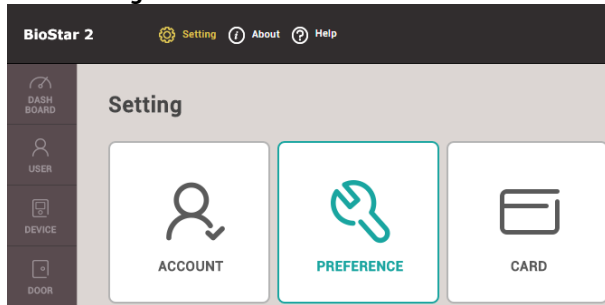

The translated UI of BioStar 2 is managed according to ISO 639-1 and it can be applied in simple ways.

WARNING | Before starting the procedure, please check if you have installed the BioStar 2.8.0.  
| If you have installed a more recent version of BioStar 2 than 2.8.0, please DO NOT follow procedure below.  
| If you installed BioStar 2 in another directory, please input that drive letter instead of 'C'.  
| If you installed a 32 bit version of BioStar 2, search the folder under "C:\Program Files (x86)".

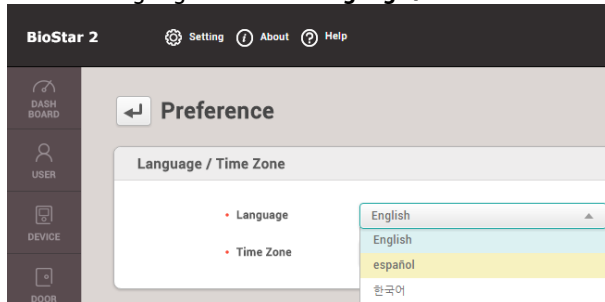

1. It will consist of files similar to below in each folder.
  - messages\_xx.properties
2. Stop the BioStar 2 service in **BioStar Setting**.
3. Copy messages\_xx.properties file to  
"C:\Program Files\BioStar 2\nginx\html\resources".
4. Start BioStar 2 service in **BioStar Setting**.
5. Check that the translated material appears in BioStar 2.

## How to change the language on BioStar 2?

1. Log in with the administrator account.
2. Click **Setting > PREFERENCE**.

3. Select a language to use in **Language / Time Zone** tab.
